Fforest Farm Milk: Whitland

“I would like to put forward Fforest Farm as a Carmarthenshire Lockdown Legend. With everyone panic shopping and worrying about where they would get their essentials Fforest Farm has been on hand to provide fresh pasteurised milk. They have even introduced a vending machine for the public to use and access milk throughout the day. They have posted a useful video to show how to use it properly and reassure us. It’s also great to use glass milk bottles again. They have recently added free range eggs to their vending shed and I highly commend their dedication”. **CAVS Salutes You**

Llaeth Fferm Fforest: Hendy-Gwyn

“Hoffwn gyflwyno Fferm Fforest fel Arwr Cyfnod Cloi Sir Gâr. Gyda phawb yn siopa mewn panig ac yn poeni am ble i gael eu hanfodion, mae Fferm Fforest wedi bod wrth law i ddarparu llaeth ffres wedi'i basteureiddio. Maent hyd yn oed wedi cyflwyno peiriant gwerthu i'r cyhoedd ei ddefnyddio a chael gafael ar laeth trwy gydol y dydd. Maent wedi postio fideo defnyddiol i ddangos sut i'w ddefnyddio'n iawn a rhoi sicrwydd inni. Mae'n wych cael defnyddio poteli llaeth gwydr eto. Yn ddiweddar maent wedi ychwanegu wyau buarth i'w sied werthu ac rwy'n canmol eu hymroddiad yn fawr”.
