DIGITAL TIME CREDITS

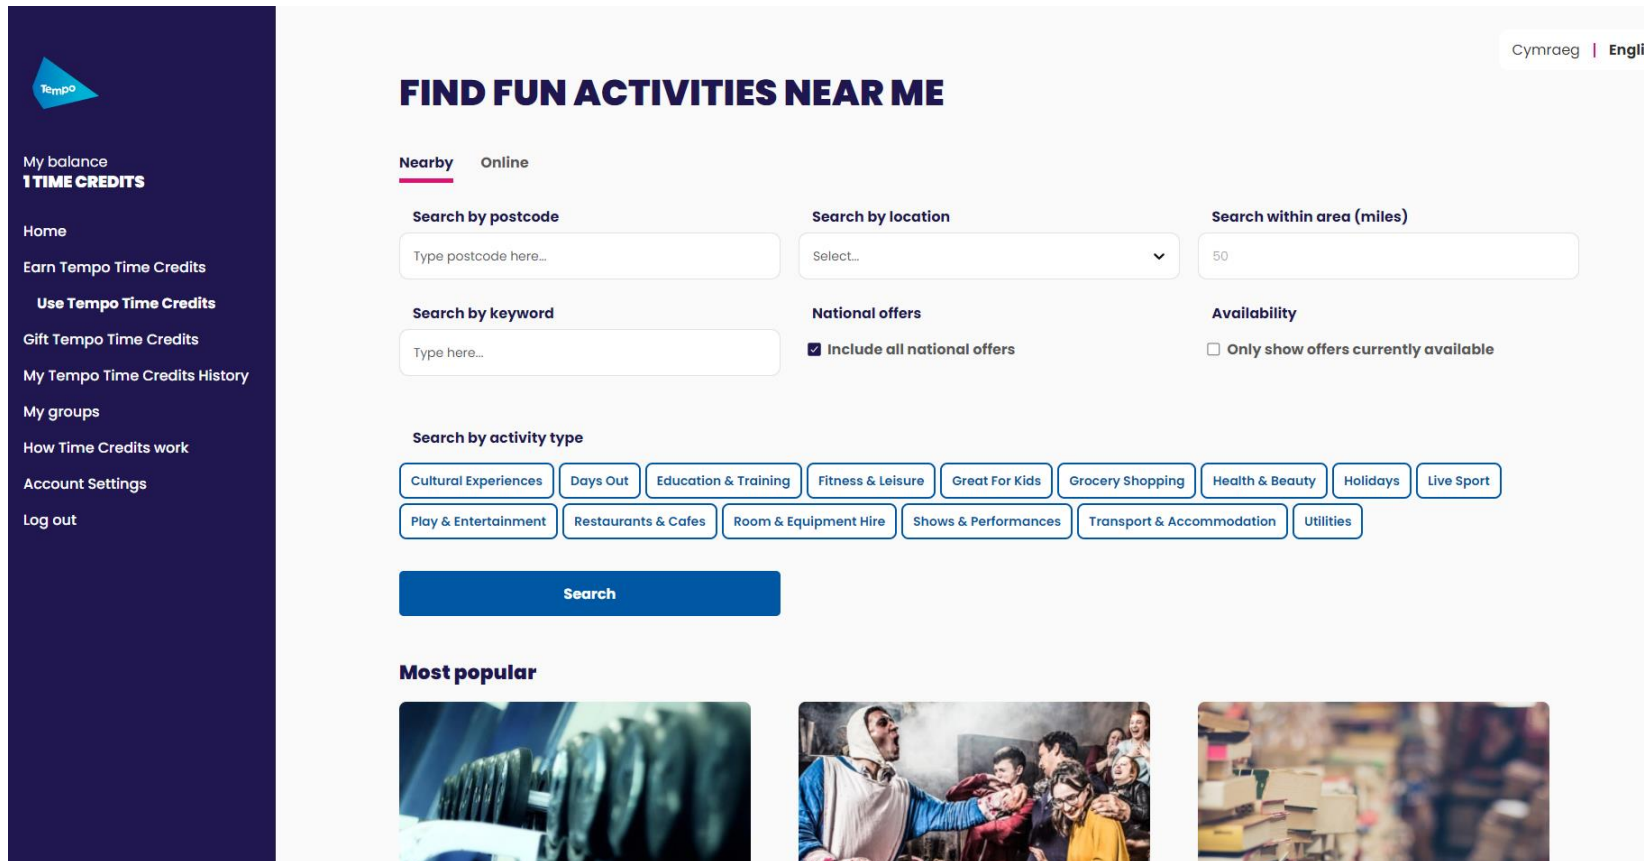

For volunteers – Their online account allows them to check their balance and find new ways to earn and use Tempo Time Credits all in one place, via their phone or computer.

For community organisations – The easy-to-use system means no more reporting and they can see if and how their volunteers are using their Tempo Time Credits.

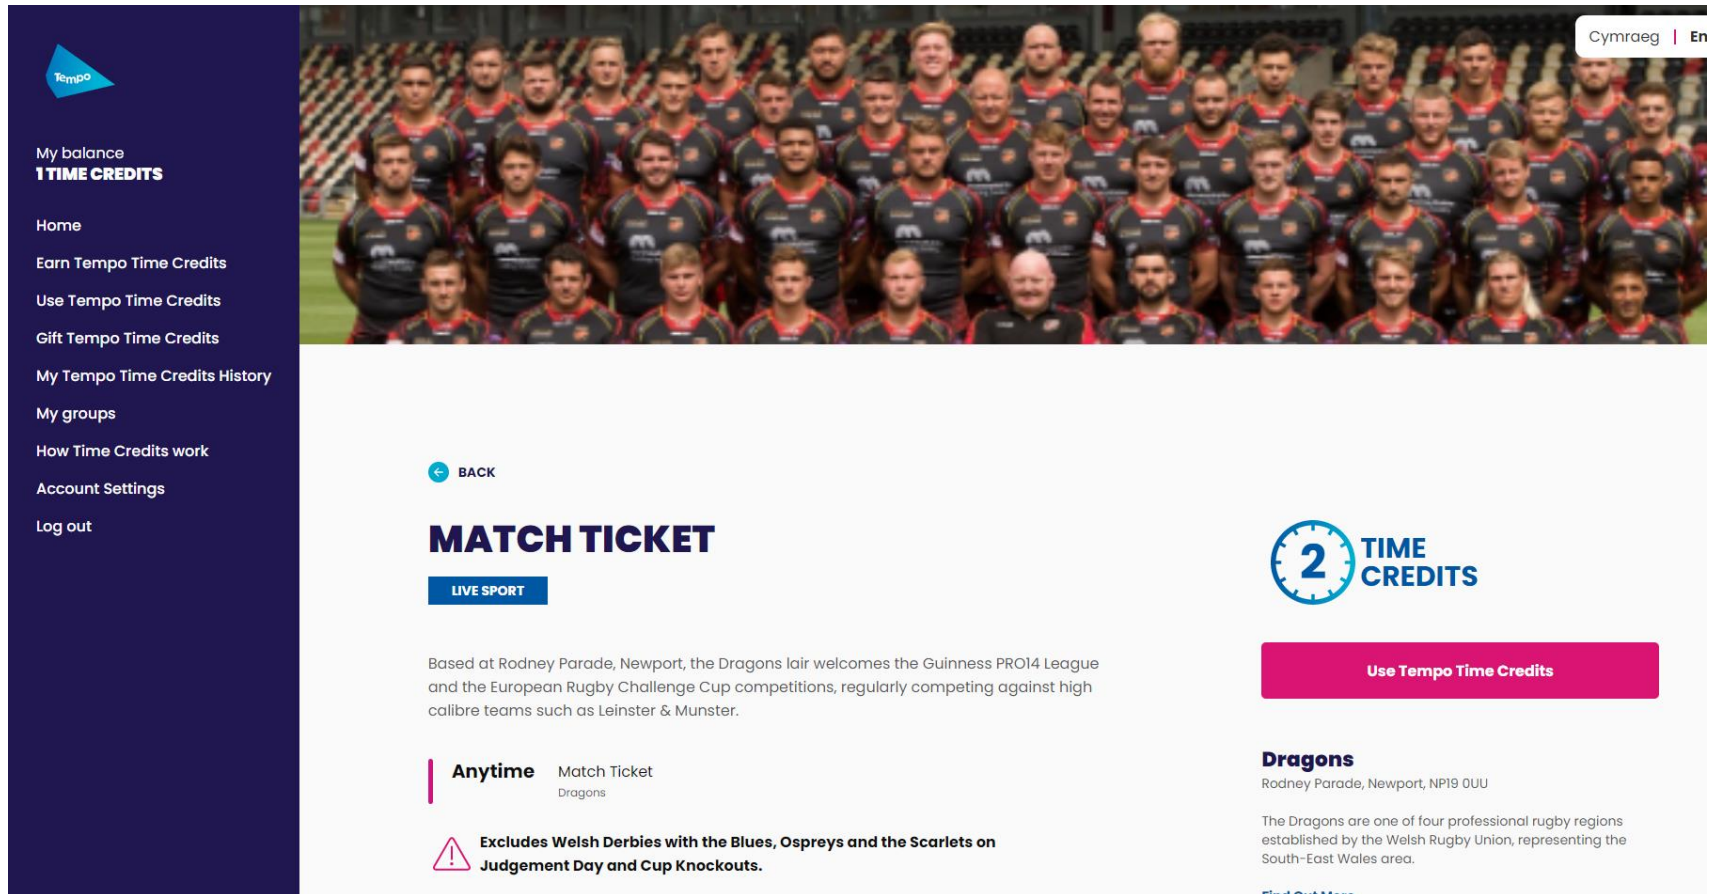

Volunteers can choose what activities/resources they want to use their Time Credits on by searching by area or activity type

The screenshot shows the Tempo website's search interface. On the left is a dark blue sidebar with navigation links: My balance (1 TIME CREDITS), Home, Earn Tempo Time Credits, Use Tempo Time Credits, Gift Tempo Time Credits, My Tempo Time Credits History, My groups, How Time Credits work, Account Settings, and Log out. The main content area is white and titled 'FIND FUN ACTIVITIES NEAR ME'. It features a language selector for 'Cymraeg | Engli'. Below the title are two tabs: 'Nearby' (selected) and 'Online'. The search options include: 'Search by postcode' (input field), 'Search by location' (dropdown menu), 'Search within area (miles)' (input field with '50'), 'Search by keyword' (input field), 'National offers' (checkbox for 'Include all national offers'), and 'Availability' (checkbox for 'Only show offers currently available'). A 'Search by activity type' section contains buttons for: Cultural Experiences, Days Out, Education & Training, Fitness & Leisure, Great For Kids, Grocery Shopping, Health & Beauty, Holidays, Live Sport, Play & Entertainment, Restaurants & Cafes, Room & Equipment Hire, Shows & Performances, Transport & Accommodation, and Utilities. A blue 'Search' button is positioned below these filters. The 'Most popular' section displays three activity images: a row of coats, a group of people, and a cluttered room.

Once they have selected an activity, they can view that offer, check for any restrictions and make the booking by clicking **USE TEMPO TIME CREDITS**
